

## New and corrected records on distribution of Finnish Heteroptera

Tapio Lammes & Veikko Rinne

Tapio Lammes, Sorolaisenkatu 6, FIN-21200 Raisio, Finland

Veikko Rinne, Zoological Museum, University of Turku, FIN-20500 Turku Finland

We have recently published maps of the provincial distribution of Finnish Heteroptera (Lammes & Rinne 1990). Careful reading of the maps has revealed some misspelled dots, which are corrected in this article. Numerous new provincial records are also listed.

Most of the specimens are deposited in our personal collections or in Zoological Museum of Turku University.
