

Contents of Volume 12

Ahola, M.: Redescription of the larva of <i>Siobla ruficornis</i> (Gimmerthal, 1834) (Hymenoptera, Tenthredinidae) from East Finland	28–32
Chen, X., He, J., van Achterberg, K. & Ma, Y.: A new species of the genus <i>Cryptoxilos</i> Viereck (Hymenoptera: Braconidae: Euphorinae) from China	108–111
Disney, R. H. L., Zvereva, E. L. & Mostovski, M. B.: A scuttle fly (Diptera: Phoridae) parasitizing a beetle (Coleoptera: Chrysomelidae) in Russia	59–63
Heikinheimo, O.: <i>Semiaphis nolitangere</i> Aizenberg, 1954 and differences between the genera <i>Semiaphis</i> van der Goot, 1913 and <i>Hyadaphis</i> Kirkaldy, 1904	39–43
Junnilainen, J.: Two new species of <i>Swammerdamia</i> from the southern Ural Mountains and southern Siberia (Lepidoptera: Yponomeutidae)	112–118
Jussila, R.: Pionini species (Hymenoptera, Ichneumonidae, Ctenopelmatinae) new to Finland	119–120
Jussila, R.: Additions to the revision of the genus <i>Atractodes</i> (Hymenoptera: Ichneumonidae) of the Palaearctic Region. III	193–216
Kaila, L., Bengtsson, B. Å., Šulcs, I. & Junnilainen, J.: A revision of the <i>Elachista regificella</i> Sircom -complex (Lepidoptera: Elachistidae)	153–168
Kobro, S.: <i>Hoplothrips polysticti</i> (Thysanoptera) on the wood-rotting polypore <i>Trichaptum abietinum</i> infesting dead <i>Picea abies</i> in Norway	15–21
Komonen, A., Siitonen, J. & Mutanen, M.: Insects inhabiting two old-growth forest polypore species	3–14
Leppä, M. & Hämäläinen, H.: <i>Zavreliella marmorata</i> (v.d.Wulp, 1859) (Diptera: Chironomidae) — a chironomid species new to Finland from Lake Pohjalampi, North Karelia	44–45
Martikainen, P. & Koponen, M.: <i>Meteorus corax</i> Marshall, 1898 (Hymenoptera: Braconidae), a new species to Finland and Russian Karelia, with an overview of northern species of <i>Meteorus</i> parasitizing beetles	169–172
Niemi, R.: <i>Atopochthonius artiodactylus</i> Grandjean, 1948 (Acari: Oribatida) found for the first time in Finland	173–175
Nilsson, A. N.: A new <i>Gyrinus</i> species from Mongolia (Coleoptera: Gyrinidae)	121–124
Nupponen, K.: Records of scythruidids from Tunisia, with description of two new species (Lepidoptera: Scythruidae)	53–58
Nupponen, K. & Ahola, M.: Notes on the biology of <i>Pterophorus volgensis</i> (Möschler, 1862) with description of the larval stage (Lepidoptera, Pterophoridae)	22–27
Nupponen, K. & Nupponen, T.: <i>Pterophorus poculidactyla</i> sp. n. from the Altai Mountains (Lepidoptera: Pterophoridae)	50–52
Nupponen, K. & Nupponen, T.: Notes on the scythruid fauna of the Altai Mountains, with description of four new species (Lepidoptera: Scythruidae)	81–93
Nupponen, K., Ahola, M. & Kullberg, J.: <i>Agrotis iremeli</i> sp. n. from the southern Ural Mountains, with description of the larval stage (Lepidoptera: Noctuidae)	217–226
Nupponen, K., Junnilainen, J., Nupponen, T. & Olschwang, V.: The cochylid fauna of the Southern Ural Mountains, with description of <i>Cochylimorpha ignicolorana</i> Junnilainen & K. Nupponen sp. n. (Lepidoptera: Tortricidae: Cochylini)	94–107
Roininen, H., Tahvanainen, J., Vikberg, V. & Zinovjev, A.: <i>Salix aurita</i> — the correct food plant for <i>Euura cinerææ</i> Kopelke, 1996 (Hymenoptera: Tenthredinidae)	129–130
Rydell, J., Fagerström, J., Andersson, S., Stille, G. G., Gelang, M., Lancaster, W. C., Svensson, M. G. E. & Tullberg, B. S.: Convergence in wing coloration between orange underwing moths (<i>Archicaris</i> spp.) and tortoiseshell butterflies (<i>Aglais</i> spp.)	65–71
Rydell, J., Roininen, H., Philip, K. W. & Karhu, A.: Lepidoptera collected in the Canadian Arctic during the Tundra Northwest 99 expedition	131–138
Salmela, J.: Adult craneflies (Diptera: Nematocera) around springs in southern Finland	139–152
Silfverberg, H.: Walter Hackman (1916–2001) ..	182–192
Silfverberg, H.: Changes 1996–2000 in the list of Finnish insects	227–243
Várkonyi, G. & Ahola, M.: Notes on the larval biology of <i>Xestia borealis</i> (Lepidoptera: Noctuidae)	78–80
Vikberg, V. & Koponen, M.: Two dryinid species new for Fennoscandia with a re-evaluation of the generic division of N. European Gonatopodinae (Hymenoptera, Dryinidae)	33–38
Vikberg, V. & Koponen, M.: <i>Proclithrophorus genalis</i> sp. n. from northern Finland representing a genus new to European fauna (Hymenoptera: Braconidae: Euphorinae)	176–181
Vilkamaa, P. & Komonen, A.: Redescription and biology of <i>Trichosia (Baesciara) sinuata</i> Menzel & Möhrig (Diptera: Sciaridae)	46–49
Wahlberg, N.: On the status of the scarce fritillary <i>Euphydryas maturna</i> (Lepidoptera: Nymphalidae) in Finland	244–250
Wahlberg, N., Kullberg, J. & Hanski, I.: Natural history of some Siberian melitaeine butterfly species (Nymphalidae: Melitaeini) and their parasitoids	72–77
