**KONFERENSSIT/CONFERENCES**

**Nordic Digital Health and Wireless Solutions Event 2024**

May 7-8, 2024

Venue: Hotel Lasaretti, Oulu, Finland

See more details at: https://nordic-digi-health.com/

Hosted in Oulu, Finland—a leading hub for technological innovation—the Nordic Conference on Digital Health and Wireless Solutions is a pivotal event for professionals, researchers, and industry leaders. This conference is organised by the 6GESS and DigiHealth research programmes from the University of Oulu.

Oulu stands at the forefront of research and development in digital health and wireless communications, providing an ideal backdrop for this event. The multidisciplinary conference offers an invaluable platform to discuss, collaborate, and gain insights into the latest advancements in digital health and wireless solutions.

**The main topics include (but are not limited to):**

• Digital Health Innovations
• 6G and Beyond for Health Applications
• Remote Healthcare and Telemedicine
• Wireless Technologies and Medical Devices
• Novel Sensors and Bioinformatics
• Utilisation of Citizen`s Own Data
• Digital Health Care Pathways and Virtual Rehabilitation
• Integration of Health Data and Cybersecurity Aspects

• Edge Computing and Future Network Architectures for Health
• Medical AI and Clinical Decision Support,
• Digitalisation in Health Education
• Digital Interventions and Therapies
• User Experience of Health Information Systems
• Health Technology Assessment in Digital Health
• Impact and Business Analysis for Digital Health

**Conference features:**

Invited Talks by Experts
Research Paper Presentations
Poster Sessions
Technical Exhibitions and Site Visits
Networking Opportunities

**Submission types:**

Full papers: 10-19 pages including references
Short papers: 4-9 pages including references
1-page Abstracts

The accepted papers will be published in an indexed book in the international Springer CCIS congress series. The full articles have Finnish JUFO1 grading. In submission, the author can decide which type of article he/she submits.

**Submission deadline:**

December 18th, 2023

**Conference fees:**

Early bird conference delegate price
175,00 € until February 29th, 2024.
