KONFERENSSIT/CONFERENCES

MEDINFO2019 The 17th World Congress of Medical and Health Informatics, Lyon, Ranska, 25.-30.8.2019

Health and wellbeing e-networks for all

MedInfo is a worldwide key event in digital health that gathers scientists, physicians, teachers, students, companies, institutions, and decision-makers. IMIA and EFMI French member AIM (Association Française d'Informatique Médicale) is proposing to organise the next World Congress of Medical Informatics to be held in the European area.

This shall be a worldwide sharing of knowledge to increase health of people anywhere in the world!

Early bird registration before May 7th, 2019.
