KONGRESSEJA / CONGRESSES

Medinfo2013 - MEDINFO 2013, 14th World Congress on Medical and Health Informatics

Copenhagen, Denmark, August 20 – 23, 2013

The Danish Society of Medical Informatics looks forward to hosting this premier international event for the world to meet and exchange knowledge on the important role of informatics in health care. The topic of Medinfo2013 will address the challenges we foresee to continue in:

Conducting medical informatics by
Converging technologies,
Conveying sciences and
Connecting people

Registration and hotel booking are open – see http://www.medinfo2013.dk/registration and http://www.medinfo2013.dk/node/44

NI2014 - 12th International Congress of Nursing Informatics

NI 2014 will be held at the Taipei International Convention Center on June 21-25, 2014.

The theme of the conference is "eSmart + " where "e" stands for eHealth, "S" implies simplicity, "m" represents mobility and meaningful use, "a" denotes advanced leadership, "r" indicates revolution, "t" means translational technologies, and "+" symbolizes People Leading uCare Safely. The acronym is also used to convey the idea of adopting smart technology to help health providers deliver higher quality care. The call for submissions will open in early April, and will close in mid-September 2013. Decisions will be notified by mid-December 2013. For detailed information, including precise dates for the Call for Submissions, see the conference website at http://www.ni2014.org.

MIE2014 – the 25th European Medical Informatics Conference

MIE2014 will be held in Istanbul on 31 August – 03 September, 2014. Information will be available on the conference website at http://www.mie2014.org and on the EFMI web portal at http://www.efmi.org. We look forward to seeing many colleagues from Europe and further afield at this event.
