The Linguistic Association of Finland was founded in 1977 to promote linguistic research in Finland by offering a forum for the discussion and dissemination of research in linguistics, both in Finland and abroad. Membership is open to anyone interested in linguistics; membership forms can be obtained from any of the board members. The membership fee in 1995 was 100 FIM (50 FIM for students and unemployed members). Members are sent a newsletter and they receive the Association's yearbook gratis.
