

SELECT BIBLIOGRAPHY OF ASKO PARPOLA'S PUBLICATIONS

Edited by
Petteri Koskikallio

The following bibliography is intended as a complete presentation of scholarly articles and books written (or edited) by AP. However, only a small selection of AP's other writings – popular articles (mostly in Finnish), reports, book reviews, translations, abstracts, etc. – is included. Several forthcoming titles, as well as the works published in collaboration with other authors/editors, are mentioned in this bibliography. References to the reviews of AP's publications are given after the respective entries. Republished editions (also translations of the original) are listed under the earliest version.
