<sup>1</sup> After McCrindle's own additional notes (331–338) this reprint contains a series of notes (341–398, before the Index) where reference is often given to early 20th century literature. Their origin is not indicated, but perhaps they hail from the earlier reprint of the book, *McCrindle's Ancient India as described by Ptolemy*. A facsimile reprint, edited with an introduction, notes and an additional map by Surendranath Majumdar Śāstrī. Calcutta 1927.
