ORIGINAL PRESS SOURCES

The name of the publication is translated when it first appears in this list. However, *ribao* always translates as “daily,” *xuebao* or *xuekan* as “academic journal”, and *daxue* as “university” and *shiyuan* or *shifan daxue* or *shida* as “normal college”. If these go with a place name, I have not translated the name of the publication.
